

NIRAJ ACHARYA	
Designation: Senior Network Engineer	
Organization: Nepal Research and Education Network, Nepal	
Other Involvement: <ul style="list-style-type: none"> • Nepal Internet Exchange (NPIX) • Nepal Wireless • Center for Rural Healthcare and Telemedicine (CRHT) • Nepal Network Operators Group (NPNOG) 	
<p>Started carrier working in wired and wireless technology and routing switching and H.323 video conference system after completing the Engineering. Now working as Senior Network Engineer at Nepal Research and Education Network (NREN) for 6 years. Voluntarily involved in Nepal wireless, Nepal internet exchange and Center for Rural Healthcare and Telemedicine. I am also contributing rural connectivity and telemedicine using my knowledge and experience for the people who are deprived from internet technology and healthcare due to remoteness and geographic difficulties.</p>
